

Instrucciones:

1. Siempre lea cualquier instrucción provista con las ceras para derretir y los aceites/liquidos para hervir.
2. Cera para derretir - Coloque una cera para derretir pequeña (1.5 pulgadas - 3.8 cm) en la parte de arriba de la olla.
3. Coloque una vela para té en recipiente de metal (nunca una vela grande) en la parte central de la base y enciéndala. Conforme se calienta el liquido, la fragancia se liberará hacia la habitación.

Sople gentilmente para extinguir la flama cuando se haya alcanzado el nivel deseado de fragancia.

4. Toda la unidad estará extremadamente caliente mientras esté en operación. Siempre permita que el quemador se enfrie durante varios minutos antes de tocarlo.

POR SEGURIDAD POR FAVOR SIGA LAS SIGUIENTES SUGERENCIAS:

- No deje la vela encendida durante más de 20 minutos en cualquier momento.
- Siempre coloque la unidad en una superficie firme, nivelada y resistente al calor y lejos de objetos inflamables y lejos del alcance de los niños y las mascotas.

Instructions :

1. Lisez attentivement les instructions fournies avec les bougies et huiles/liquides pour brûle-parfums.

2. Bougie : placez la petite bougie (1,5" ou 4 cm env.) dans la coupelle supérieure.

Pot-pourri liquide : remplissez la coupelle supérieure à moitié avec du liquide.

Huiles rafraichissantes : versez environ cinq gouttes dans la coupelle supérieure.

3. Placez une bougie d'ambiance à capsule métallique (jamais de grosse bougie) sur le support central et allumez-la. En chauffant, le liquide dégage son parfum dans toute la pièce. Soufflez légèrement pour éteindre la flamme dès que vous avez obtenu le degré de parfum désiré.

4. L'unité pot devient extrêmement chaude quand le liquide brûle. Laissez toujours le brûleur refroidir quelques minutes avant de le toucher.

RESPECTEZ LES CONSIGNES DE SÉCURITÉ SUIVANTES

- Ne laissez pas la bougie allumée plus de 20 minutes à chaque fois.
- Posez toujours l'unité sur une surface solide, plane et résistante à la chaleur, à l'abri d'objets inflammables et hors de la portée des enfants ou des animaux.
- Ne laissez jamais une bougie qui brûle sans surveillance.
- N'approchez pas votre visage de l'unité quand le liquide brûle.

AROMA

Every home can use more Love, Joy and Beauty.
This Aroma Pot will enhance the ambience in your home while adding warmth and decor. Use your favorite essential oils, liquid potpourris, and wax melts to compliment your surroundings.

愛
Love
Ai

樂
Joy
Le

美
Beauty
Mei

The Chinese character for Love, Ai, is pronounced "eye." The character combines the Chinese word for heart with symbols depicting an embrace. Love brings warmth to the mind, body, and soul.

The Chinese character for Joy, Le, is pronounced "luh." The character displays an open mouth ready to shout for Joy. To uplift your spirit keep your life filled with plenty of Joy. The red color of this Aroma Pot is associated with Joy in Chinese culture.

The Chinese character for Beauty, Mei, is pronounced "may." Beauty is an essential part of life. It provides a positive experience to all the senses. The elegance of this Aroma Pot adds Beauty to any room.

Instructions:

1. Always read any instructions supplied with wax melts, & simmer oils/liquids.
2. Wax Melt- place small wax melt (1.5") in top bowl
Liquid Potpourri- Fill top bowl half way with liquid Refresher Oils- Add around five drops in top bowl.
3. Place a metal-encased tea candle (never a larger candle) centrally in the base, and light. As the liquid warms, the fragrance will be released into the room. Blow gently to extinguish the flame when the desired level of fragrance has been achieved.
4. The entire unit will become extremely hot while burning. Always allow the burner to cool for several minutes before touching.

FOR SAFETY PLEASE FOLLOW THE GUIDELINES BELOW:

- Do not leave the candle lit for more than 20 minutes at any one time.
- Always stand the unit on a firm, level, and heat-resistant surface away from flammable objects and away from the reach of children or pets.
- Never leave a burning candle unattended.
- Keep your face away from the unit while it is burning.

FOR SAFETY PLEASE FOLLOW THE GUIDELINES BELOW:

Always start with a clean, dry bowl free from deposits. Never add water to hot wax or oil. Do not mix different types of oils. Do not use perfume oils intended for use on the skin. Only use unscented, metal-encased tea lights. Never allow liquids to come into contact with a flame. If liquid comes into contact with eyes, wash thoroughly with cold water and seek medical attention.

WARNING: To Prevent Fire

Please remove all packaging material before lighting. Failure to follow these instructions can result in personal injury and/or property damage. Please read below before using.

- Extinguish candles before leaving room.
- Never leave burning candles unattended.
- If at any time the candles leaves soot, or residue extinguish immediately & replace with a different candle.
- Keep wicks centered and trimmed to ¼".
- Container may become hot - allow to cool before handling.
